Dear Sir: "ISLAND COMMANDER"

I duly received your Freeboard Assignment Letter of the 30th January last in the case of the above named vessel, and in this connection I am forwarding herewith copy of a letter which has today been received from the Vancouver Surveyors, together with a copy of one addressed to them by the Owners of the vessel.

In view of the contents of these letters, I should be glad to learn at your convenience whether it is considered necessary to fit 5" overboard scuppers in the upper deck immediately forward of the break of the quarter deck.

I am, Dear Sir

Yours faithfully,

Principal Surveyor
U.S.A. and Canada

The Secretary,
WOKINGHAM
