

COPY.

9th November, 1934.

Dear Mr. Parker,

I am in receipt of your letter of the 20th ultimo with reference to your freeboard report on the Motor Vessel "KOMAKI MARU". We have not yet received a report for a vessel of this name and I am wondering if you did not mean the "KIYOSUMI MARU", a report on which we received on the same date as your letter.

We are communicating officially with Mr. Cox regarding the report on this latter vessel and forwarding a copy of the computation in order that he may take such steps as he considers desirable with a view to ascertaining the reason for the difference in the assignment.

This is the second case in which we have noticed a *clear* discrepancy.

With kind regards,

Yours sincerely,

M. M. Parker, Esq.,

KOBE
