23rd April, 1936.

Dear Sirs,

S.

In reply to the enquiry contained in your letter of the 20th instant respecting the fees which should be charged for the re-instatement of the classification of the steam trawler "DOGGER BANK", which I note the prospective purchasers propose to convert into a coasting vessel, I have to inform you that for the 2nd Special Survey No.3 which will require to be carried out for re-instatement of class, £15.0.0 should be charged for the survey of the hull and £7.0.0 for the machinery.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,

GRIMSBY.
