Dear Sirs,

H.

With reference to my letter of the 27th and yours of the 28th October, 1922, and previous correspondence respecting the steamer "GRAMPUS", I beg to acquaint you that the Committee have had under their consideration a letter received from the Society's Surveyors at Falmouth in which they state this vessel is still laid up in the River Fal. In the circumstances the Committee have deferred consideration of the case for the present, subject to the Boiler and Screwshaft Surveys being carried out before the vessel again proceeds to sea.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.
