Dear Sirs,

H. With reference to your letter of the 10th and my reply of the 16th August last respecting the steamer "GRAMPUS", I have to acquaint you that the Committee have had under their consideration to-day a letter received from the Society's Surveyors at Falmouth, in which they state this vessel is still laid up in the River Fal. In the circumstances the Committee are agreeable to the Boiler Survey being postponed for the present on the understanding that it will be carried out before the vessel is again placed in commission and the Committee will be glad if you will kindly give instructions accordingly.

I am, Dear Sirs,

Yours faithfully,

*Copy Fal*  
Secretary.
