Dear Sir,

I thank you for yours of the 23rd September regarding the survey of our motorship "A.A.COWAN".

I have put the position before our Board and it has been decided that as it is compulsory for us to have this vessel comply with the Nigerian Marine Authorities' requirement there would be little use in continuing to retain her classification under Lloyd's also, and I, therefore, request you to let this matter lapse.

Yours faithfully,
THE UNITED AFRICA COMPANY LIMITED.

A. Gibb.

Supt. Engineer.
