LLOYD'S REGISTER  
RECEIVED  
27 MAY 1930  
LONDON

Dear Sir,

Referring to your letter of the 22nd instant relative to the fees on the new steamer "RIDEAULITE", we have been in communication with the Builders and are assured that the account has been passed for payment and a cheque will be forwarded in the usual course.

Meantime they have desired us to ask that you may be good enough to favour them by having the full particulars of the Steamer entered in the forthcoming reprint of the Register Book, pending settlement of the account.

We are, Dear Sir,

Yours faithfully,

The Surveyors,

Per:-

*Alex. Johnstone*

The Secretary,
