Dear Sirs,

M.

I am in receipt of Mr. Trechmann's letter of the 20th instant regarding proposed modifications to the rudder of the Tug "ABEILLE No.22", and your remarks have been duly noted.

With regard thereto I have to state that the existing rudder stock and mainpiece could be accepted with the area of the rudder increased as shewn on the plan prepared by Messrs. Donkin & Co.Ltd.

It will be necessary, however, for the arms to be renewed, or equivalent arrangements provided, and a sketch of these should be submitted for consideration in due course.

The documents forwarded with your letter are being returned under separate cover.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,  
HAVRE.
