M/V "OMROSAN MARU" - 7.8.2.25/3/37

Dear Sir,

I enclose herewith copies of correspondence which has passed between this Office and Messrs. Mitsui Bussan Kaisha, Freight Department, Kobe, the Owners of the above vessel, regarding a slight deformation in one of the combustion chambers.

In my opinion, the above-mentioned deformation does not affect the strength of the boiler for the proposed working pressure and, in the circumstances, it is recommended that the boiler be accepted for Classification.

I am, Dear Sir,

Yours faithfully,

C. Macpherson
