Dear Sirs,

We acknowledge receipt of your favour of the 5th instant with regard to our M/S "OMROSAN MARU", now under construction at Tama Dockyard.

In reply we beg to confirm that we are quite willing to accept your suggestion and hope you recommend her exhaust gas boiler for classification, so long as you find its slight deformation will amply allow for any serious effect that may arise therefrom.

Thanking you for your kind attention,

Yours very truly,

MITSUI BUSSAN KAISHA, LTD.
