

17, BATTERY PLACE,

NEW YORK.

May 7, 1942.

Dear Mr. Scott:

I am enclosing a copy of a letter we have received from the United States Lines in reply to an inquiry addressed to them regarding the over due Boiler Survey of the Steamer "AUDACIOUS" ex "BELVEDERE".

This is another case in which the Committee will have no alternative but to take the necessary action of withdrawing the class.

Yours faithfully,

Malcolm K. Scott, Esq.,  
LONDON.
