Dear Sir,

With reference to our conversations with you during your visit here regarding the refrigerating machinery classification of the motorships "MORBIHAN", "LA HAGUE" and "LA HEVE", I have to acquaint you that the facts as detailed to you were submitted to the Classing Committee at their meeting on Friday last, when they decided to amend the notation for their refrigerating machinery installation to "Lloyd's R, C for Mediterranean Services, Temp. 32°F in No. 3 space and 15°F in No. 6 spaces", in each case.

Yours faithfully,

Clerk to the
