Extract from letter dated 26th April, received from
the Society's Surveyor at Stockholm.

Original letter with "M" Department.

Vessel's Name "HOLMEN II".

Bl due 4.23.

Re s.s. "HOLMEN II" 160 Gross tons No. 62325 in the Reg. BK.
 The Owners of this vessel have intimated to me today, that,
 as she has now come under the Swedish Regulations, (which
 principally apply to passenger vessels), they have no need
 of and are not desirous of maintaining the vessel in the
 Society's class, which class should, consequently, be with-
 drawn and substituted with three dots (...) indicating that
 the class has been withdrawn at Owners' request.

*The boiler survey became due in 4.23, no part
 has been held.*

The Owners do not wish to maintain the class.

*It is submitted that the vessel's class be with-
 drawn from the Register Book & three dots inserted
 in lieu thereof, indicating that the class has been
 withdrawn at the request of the Owners.*

Withdraw class.
