Dear Sirs,

S. I am in receipt of your letter of the 23rd instant respecting the case of the tug "DOUGLAS 11", and note your remarks.

On referring to my letter of the 22nd instant I find that the number of the supplement in which the particulars of this vessel will appear is erroneously given as 9, instead of No. 10, which is the supplement now in the printers' hands, and I shall be obliged if you will note this correction.

I am, Dear Sirs,

Yours faithfully,

Messrs. Bailey & Leetham,

South Bridge Road,

H U L L.

Secretary.
