**The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.**

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/02.)

Signature of Surveyor Fris entry

It is submitted that before this case receives the consideration of the Committee the Hull Surveyors should be reminded of the letter addressed to them on the 20th March last and should be requested to state whether it is to be concluded that the matters referred to therein have been satisfactorily completed, as no reference to the same is made in their report No. 18399 now received.
