Enclosure.

Dear Sir,

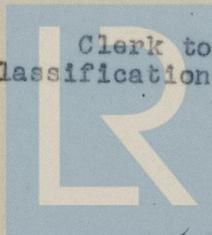

I duly received your Airmail letter of the 9th ultimo with which you enclosed your Report No. 7550 on the Steamer "PLADDA".

The Committee concur in your remarks and action, and I think I cannot do better than enclose herewith a copy of a letter which has to-day been addressed to the Owners' Representatives in London from which you will see that it has been made clear to them she is no longer considered as coming under the aegis of this Society in any way for classification.

Yours faithfully,

Clerk to the  
Classification Committee.

J. Wormald, Esq.,  
SINGAPORE.
