Received from Chief Ship Surveyor.....

VESSEL'S NAME MANTAI MARU Rpt. Sba No. 4373

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—*Extract from Sub-Committee's Report, 24/5/92.*)

The 2nd S.S. No. 2, due 8.39, has been carried out, except for the examination of the 'tween deck side bunker spaces on upper and lower part.

The case is fully stated in endorsement 23.2.41.

The SOURABAYA Surveyor reports the vessel afloat and the examination of the holds and 'tween decks prior to loading a sugar cargo.

It is submitted action be deferred.

Note: It is concluded the S.S. has been completed & the equipment placed in order by now & that the report is on the way.
