Dear Sir,

Herewith we acknowledge receipt of your letter of the 19th November addressed to T.H.Johnson, Esq., Prince Rupert, B.C. reminding the Owners that the Special Survey No.3 is now due in the case of their trawler "JAMES CARRUTHERS".

This communication was duly forwarded to T.H.Johnson who has now replied to this Office, stating that they have decided not to undertake this Special Survey, and it is desired that the vessel drop her class with the Society and further it is stated that the Owners do not intend to submit either of the sister vessels, namely "GEORGE E.FOSTER" and "ANDREW KELLY" for Special Survey when these become due, but to allow these vessels to drop out of class.

We are, Dear Sir,

Yours faithfully,

Sgd. Evan Edwards.
