Reference

E.  
7-1-31.

Dear Sir,

With reference to the engines No.472, built by Messrs. Harland & Wolff Ltd., in 1915, now re-erecting by Messrs. The North Eastern Marine Engineering Co, Ltd., Sunderland, and intended for the vessel Yard No.68, building by Messrs. Ganz & Co., of Susak, the Owners Representatives have requested Messrs. The North Eastern Marine Engineering Co, Ltd., to obtain a certificate from the Society in respect of the engines and shafting, before shipment to Fiume for fitting on board.

We should be glad to have your instructions in the matter and the amount of the extra fee, if any, to be charged.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS

The Secretary,  
LONDON.
