

C O P Y .

Lloyd's Register of Shipping

Trieste 19th December 1931.

Dear Sirs,

Between the time from about June to the end of 1914 materials were tested by Surveyors from the Vienna Office at the works of the Rimamurany Salgotarjaner Eisenwerk A.G., Ozd, ordered by Messrs. Ganz & Co, Danubius, Fiume Yard, for their Yard No.68, then intended to be named "HUNYAD". As this vessel is being completed now, we shall be glad if you will be good enough to look up your office records and let ~~us~~ us have any details of the materials in question.

I am, Dear Sirs,

Yours faithfully,

(Sgd) D.Collinson

For the Surveyors.

The Surveyors,

VIENNA.
