20th September, 1905.

Dear Sirs,

With reference to your Mr. Thompson's call at this Office to-day respecting the case of the steamer "ETHELSTAN", I beg to confirm the following telegram which I addressed to Mr. Thompson at the First Avenue Hotel here, viz:-

"ETHELSTAN can issue certificate with notation ceiling  
"under hatchways and over limbers only where shall  
"certificate be sent".

In the absence of a reply to the above enquiry I think it best to enclose herewith the certificates bearing the notation "Ceiling fitted under hatchways and over limbers  
"only", and I trust this will be satisfactory to you.

I am, Dear Sirs,

Yours faithfully,

Secretary to the  
Classification Committee.

Messrs. R. Stephenson & Co. Lim.,  
HEBBURN-ON-TYNE.
