The Second Special Survey No. 2 became due on this vessel in December last year, and a proposal to postpone this inspection until October of this year was agreed to in July last.

A cablegram has now been received from the Society's Kobe Surveyors stating that the Special Survey has not been held as required, and that the vessel is now classed with the Teikoku Kaiji Kyokai.

The Classing Committee had the case before them on Tuesday, the 23rd instant, when it was decided to give instructions for the vessel's class to be expunged from the Register Book with a red line (11.26), indicating non-compliance with the Society's Rules, and the Owners have been informed accordingly.
