The Secretary
London

Dear Sir

S.S. "Ville d'Amiens"

The Owners of the above named vessel inform us that the settlement of a dispute concerning depreciation to the boilers is being submitted to arbitration and request to be granted a copy of Barry Rpt N° 19449 which we have in this office and which refers to repairs carried out as the consequence of the survey of damage to the Boilers. We shall be glad if you will let us know whether we may comply with the Owners request.

We are Sir

Yours faithfully

The Surveyors
