J.P.BEECHER, Esq.

HAVRE.

Dear Sir,

N°98 New Steamer.

I refer to recent correspondence in this case.

You will remember the claim put forward by the Owners amounted to Frs. 100,000 and it will be of assistance to those concerned in considering the claim to have some information from your Surveyor as to what in his opinion would be a reasonable amount to allow should the claim be entertained.

Perhaps you will communicate with Lloyd's Register Surveyor for his view on the matter.

Yours faithfully,

Signed:            Jos. Lowrey.
