Received from Chief Ship Surveyor

SEL'S NAME S.S. S. Gladys

Rpt. Hul. No. 22081.

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Remarks of Survey

1st Entry

It is submitted that, before this case receives the consideration of the Committee, this report, ^{plans} should be returned to the Hull Surveyors who should be requested to state whether the Sheerstrake has been doubled in the wells as required by the approved plans also if a web frame is fitted in the machinery space as these points are not clear from the Report.
