This trawler became due for Annual Boiler Survey
in January last and for Screw Shaft Survey in April last.

The Owner has now informed the Society's Surveyor
at Auckland, N.Z. that he desires to withdraw the vessel from
the Society's Classification.

In the circumstances the Classing Committee, who
had the case before them on Friday, 18th instant, decided to
give instructions for the vessel's character to be withdrawn
from the Register Book and three dots (...) inserted in lieu
thereof, indicating withdrawal of class at Owner's request.
