# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.

July 31st 1917.

Dear Sirs,

With reference to the classification in this Society's Register Book of the steamer "MEILING", I beg to remind you that a notice in regard to the survey which became due on the screw shaft of this vessel at the end of December last was sent to you from this office on the 23rd of March last to which no reply has been received.

In the circumstances, the Committee, who had the case before them at their meeting to-day, direct me to point out that the survey in question is now long overdue and to request that you will state for their information what definite arrangements you propose making for it to be held in order to entitle the vessel to retain her class.

Awaiting the favour of your early reply.

I am, Dear Sirs,

Yours faithfully,

The Hai-ho Conservancy Commission,  
Tientsin,  
China.
