Dear Sir,

TUG "M.S.C. MALLARD".

I wish to acknowledge the receipt of your communication of the 4th instant relating to the above tug and would inform you that the Company do not desire to retain this craft under Lloyd's classification. This being the case it will not be necessary for you to carry out the survey of the oil engines in accordance with the Simplified Survey Conditions.

Yours faithfully,

J. A. QUEST,  
MECHANICAL ENGINEER.
