The Special Survey No.2 of this vessel became due in June last.

The late Owners do not desire the class to be maintained in the Society's Register Book, and Mr. Poincet, of the Society's Paris Office, states that there is no doubt that the new Owners also desire the class to be withdrawn.

The Classing Committee had the case before them on Friday, 3rd instant, and decided to give instructions for the steamer's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
