BUILT AT CHEPSTOW - S/S "GUEBWILLER".

We beg to enclose herewith original debit note from Messrs.
Lloyd's Register of Shipping, Glasgow, dated 16th June, 1920, for
£14-5-9d in respect of the survey during construction of Boilers
carrying our number M.495, which were fitted to the above vessel.

We are sending this claim on to you in accordance with the
instructions conveyed by the Deputy Controller of Auxiliary Ship-

You will recognise that this is exactly the same procedure
as was carried out by us in connection with the boilers intended for

your No.359, and concerning which we corresponded with you in the early part of December, 1918.

We beg to point out that no item for survey fees in connection with these boilers has been included in our price and this is a matter for settlement by yourselves as indicated in the Deputy Controller's letter enclosed herewith.
