Dear Sir,

I confirm the received of your favour of 21/11/1921 regarding the S/S. Bosnia, contents of which are duly noted. I assure you that the Survey will be fulfilled with the greatest care, the meantime I observe you that the vessel have been already in the dry dock and the drilling have been already made and also of deficient plate were renewed. In this time the S/S. Bosnia sending the same for fifteen days to substitute the S/S. Split and fallen due this time will be completed the survey to the steamer, I find useful to send you a copy of the report of S.S. N.º 3 of Veritas Adriatico considering that according to the Society Superintendent will be passed at present a additional N.º 3 Survey.

Notwithstanding if you want to have a report of Veritas Survey of year 1922 I shall send it according to you further request.
