Dear Sir,

We enclose herewith copies of letters received from Messrs. Clarkson Thimble Tube Boiler Co.Ltd., and Messrs. Abbott & Co. (Newark) Ltd., together with boiler certificates Nos.584, 585 and 586 for your signature.

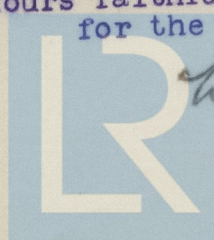

In view of the urgency of the matter we respectfully suggest that the certificates, together with the account, should you consider one applicable, be sent direct to Messrs. Clarksons, Messrs. Abbott & Co. having agreed that this is the best course.

We would draw attention to the fact that certificates (in the plural) are called for whereas if the boilers have been despatched as stated in the letter, certificate No.586 is in order and only one certificate is necessary. We are, however, forwarding three further certificates which will avoid all possible chances of error and shall be glad if Messrs. Clarkson Thimble Tube Boiler Co. are requested to return those formerly issued, for cancellation.

We are, Dear Sir,  
Yours faithfully,  
for the Surveyors,

The Secretary,
