Dear Sir:-

I have to acknowledge your letter S. September 3rd, 1928, explaining to me the difference in the registered length of a ship measured in accordance with the Italian National Register and the British system. I have to thank you for this information, as it will obviate the necessity of my raising the question in future cases. I have looked up the case cited in your letter, the S/S "CONTE GRANDE", No. 68318 in the R.B.

Again thanking you for this information.

I am, Dear Sir,

Yours faithfully,
