Enclosure.

3rd September, 1928.

Dear Sir,

S. With reference to the case of the Steamer "ROMA",  
82596 in the Register Book, it is understood that Mr. Hudson  
mentioned the matter of the vessel's length to you on the  
occasion of your recent visit to Newport News, and I have  
the pleasure to enclose herewith a copy of a letter addressed  
to Mr. Hudson, which I think will clear the matter up.

I am, Dear Sir,

Yours faithfully,

Clerk to the  
Classification Committee.

James French, Esq.,
