

25th April, 1949.

Dear Sirs,

S. With reference to the case of the Steamer "ROBINA", I have to inform you that, as it is understood from the Society's Southampton Surveyors that it is no longer your intention to maintain classification with this Society, and as the "Examined" notation in this case expired in November last when a Special Survey became due, the Committee have had no alternative, in view of this overdue Survey, but to give instructions for her class to be expunged from the Register Book, with a Red Line, indicating non-compliance with the Rules regarding surveys.

Yours faithfully,

Copy sent Sou.

Clerk to the
Classification Committee.
