Dear Sir,

23698

"ROBINA No.32223 in Register Book.

The Coast Line, Ltd., propose to place this vessel in service Falmouth - Plymouth - Penzance, and request that a Load Line be assigned by this Society for this limited service.

She may also be used for service between Oban and Tobermory at a later date.

The vessel is at present in Liverpool under survey and I shall be glad if you will advise this Office as early as possible send of the freeboard which can be assigned for the limited service, also freeboard plans for Surveyor's Guidance.

The Owners state that a draft of 7' 0" would be suitable.

Yours faithfully,

*K.W. Jones*
