

T.S.S. "ROBINA "

It is submitted the Belfast Surveyors be informed that it is noted that the Owners have been informed by the Board of Trade that the International Load Line Act, 1932, does not apply to this vessel while engaged in Steam 4 limits or as a tender to ocean liners.

In these circumstances, and in view of the fact that freeboard is not a condition of the vessel's class, they should arrange for the freeboard marks on the vessel's sides to be deleted and for the certificates to be returned to this Office for cancellation.

No further action is necessary.
