# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

23rd September, 1932.

Dear Sirs,

I have to acknowledge the receipt of your letter of the 22nd instant with which you enclose a letter from the Owners of the steamer "ROBINA" relative to the survey of this ship under the provisions of the International Load Line Convention.

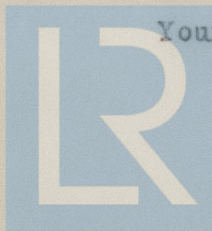

In reply I shall be glad if you will inform the Owners that provided the service is confined to the smooth water limits as defined on Page 303 of the Board of Trade Instructions as to the Survey of Passenger Steamships, 1928, freeboard assignment is not required. If wider exemption is desired on account of the ship's service, application should be made to the Board of Trade.

I may add that the question of this vessel's equipment is being looked into and a further communication on the subject will be sent you in due course.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
BELFAST.
