The Secretary,
LONDON.

Dear Sir,

We beg to enclose a letter received from The Ulster Steam Tender Co., relative to their T.S.S. "ROBINA". With reference to the Freeboard Survey it would appear that if the vessel's class is altered to confine the service to Belfast Lough, as is apparently agreeable to the Owners, no Freeboard marking would be required. This, it is understood, is the position with the same Owners' unclassified vessel "SMEATON".

As to the Owners' suggestion regarding the equipment, this has not been in any way examined.

We are, Dear Sir,

Yours faithfully,

The Surveyors.

Also for Mr. S. A. Hill to note.

His submitted the surveyor is informed that
provisional the surveyor is confined to the smooth water
limits as defined on page 303 of the Board of Trade
Instructions as to the Survey of Passenger Steamships, 1928
freeboard assignment is not resumed. If wider exemption
is desired on account of the survey, application should be made to
the Board of Trade.
