Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

12th April, 1926.

Dear Sirs,

With reference to your first entry report No. 5516 on the machinery of the new Steamer "BRUMAIRE", I think it well to draw your attention to the fact that the revision of the Register Book is now in hand, and that the portion of the reprint in which this vessel is recorded will be going to press on the 29th instant. In the circumstances, the Builders may desire to expedite the payment of the fees with a view to full particulars appearing in the new Book.

I shall be glad if you will advise me, by cablegram if necessary, immediately the fees have been paid.

I may say that I am communicating with the Society's Surveyor at Caen regarding the fees for the hull.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
HAVRE.

Clerk to the  
Classification Committee.
