S.S. No.1.23

Autu

The Special Survey No. 2 became due in March last. Some indented plating also requires to be dealt with at the Owners' convenience.

A letter has come to hand from the Oslo Surveyors in which they state they are informed by the Owners that it is not desired to retain the vessel's class with this Society and that she has been classed with the Norske Veritas.

The Classing Committee had the case before them at their meeting on Friday, 30th ultimo, and in the circumstances they decided to give instructions for the vessel's class to be withdrawn from the Register Book, and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
