Enclosures.

3rd December, 1925.

Dear Sirs,

I am in receipt of Mr. Gibbs' letter of the 2nd instant requesting to be furnished with the plans of the steamer "PANAGHIS VERGOTTIS", and I note that this vessel has been sold and that as no plans of the ship are available the new Owners are anxious to have a look at the plans in the possession of this Society.

In the circumstances I send herewith the principal plans which cover this and many other sister ships, and I have to state that you will be at liberty to exhibit the plans in question to the new Owners/<sup>provided</sup> you are able to satisfy yourselves in the first place that the transfer has been actually completed.

The plans should be returned to this Office with a special letter of advice as soon as done with.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

HULL.
