DISCLOSED  
SECTION No. 181

# Lloyd's Register of Shipping.

Port of HULL.

16th July, 1945.

This is to Certify that

J. H. P. DOUGLAS

the undersigned Surveyor to this Society did at the request of the Owners' Representative survey the Dutch Steel Screw Trawler "NEPTUNUS", 171 tons gross whilst lying afloat in St. Andrew's Dock, Hull on the 13th July, 1945 and subsequently on account of damage alleged to have been sustained by vessel grounding in Aberdeen Harbour on the 23rd June, 1945.

Vessel generally examined for leakage as far as practicable whilst lying afloat (bunkers full of coal) and no leakage noted or damage observed.

It is recommended a further examination be held in dry dock or on slipway at the first convenient opportunity.

*John Douglas*

SURVEYOR TO LLOYD'S REGISTER OF  
SHIPPING, HULL.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
