On the 14th June last the Rio de Janeiro Surveyor wrote he was informed by the Owners that this vessel was due there in about three weeks, when arrangements would be made to submit her for survey.

In reply to enquiry the Rio de Janeiro Surveyor writes the Owners have repeatedly promised to submit this vessel for survey, but have now dispatched her on another voyage without any part of the overdue surveys being held. The Surveyors add the Owners state that on the vessel's return in about six weeks' time she will probably be laid up for a general overhaul, when
