

7th July, 1949.

Dear Sirs,

H.

With reference to the Special Survey and Boiler Survey due on the Tug "TYKE" at the end of August and March last respectively, it is concluded that the British Transport Commissioners do not desire to retain the class of this vessel, but I shall be glad if you will confirm that this is so.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,

HULL.
