QUESTION.

ANSWER.

Date: April 27, 1950

The above vessel is reported to have been sold for breaking up, and as soon as the work of demolition is in hand, I shall be glad if you will kindly let me know the month in which it commences, for purposes of the Society's Wreck Returns.

*OK*

The Loudee Iron and Metal Company advises that this vessel will be towed to Quebec City, together with another tanker, the S/S TOAS and they expect demolition to begin as soon as they reach that port. They expect to move the vessel sometime in the middle of May.

The Montreal Surveyors have been advised.

This form is to be returned to the Secretary as soon as the information asked for has been filled in.
