# Lloyd's Register of Shipping,

20th June, Fenchurch Street, E.C.3.

Dear Sir,

s.s. "ESSO PANAMA"

With reference to your report No.1096, it is noted that the vessel is to be drydocked this month, and in this connection I think it well to draw your attention to the fact that a Special Survey became due in April last.

In accordance with the present Rules, therefore, this Special Survey should at any rate be partly held now, and arrangements should be made for it to be completed before the end of October next, i.e. six months from the due date.

In the circumstances, I shall be glad to learn as soon as possible what arrangements the Owners propose making for this inspection to be held.

Yours faithfully,

Clerk to the  
Classification Committee

W. S. Holness, Esq.,  
ARUBA.
