Re First Entry Report 78829 on steamer " PARAGUANA ". No. 90295 in R.F. <sup>Supp.</sup>

---

I have received from the Registrar General of Shipping a copy of this vessel's British Register on which is entered the name of the Builders as the Owners of the whole 64 shares.

In these circumstances, please let me know by return of post whether Palmers S. B. & I. Co Ltd have any objection to the present entries in the Supplement as regards Ownership and Flag being retained or if they prefer their own name and the British<sup>O.N. &c.</sup> recorded in the Register Book until the steamer has been actually transferred to her Brazilian Owners.
