The Secretary
ANSO
London.

Dear Sir,

S/S "TONE MARU".

The above vessel which was built by the Mitsui Bussan Kaisha at Tama Dockyard in 1920, has recently been under annual survey in this port, and the Owners state that the certificates of classification both for Hull and Machinery and the Freeboard certificate have been lost, and they request a re-issue of the same.

The freeboard has been verified at this time and I enclose the verification report form.

The vessel is now owned by Messrs. Mitsui Bussan Kaisha, and the port of registry is Kobe.

I am, Dear Sir,

Yours faithfully,

W. J. S. P. Co.
