Dear Sirs,

I duly received Mr. Aitken's letter of the 4th instant respecting the 60 cwt. anchor proposed to be supplied to the steamer "SEATTLE", and in reply to his enquiry I have to state that provided the drop and tensile test certificate issued by the British Corporation be furnished and is to your satisfaction, the anchor in question will be accepted for this vessel.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,
